**ON OFFER**

- Sought after, medium sized firm
- Approachable partners
- Wide range of civil litigation work
- Career progression
- Supportive and friendly team

Are you ready to take the next step in your career? If you are a capable lawyer who already has gained some experience in the law, then we'd like to hear from you. Join our successful medium sized Christchurch law firm working primarily with small to medium sized businesses and private clients. Our litigation team needs another lawyer. Our team consists of two partners, two associates and one solicitor.

Ideally, you will have a minimum of three years' PQE. Working closely with partners who are approachable and ready to supervise, you will need an ability to work autonomously on files and with clients. You'll be a team player, enthusiastic, dependable and technically competent.

You will be involved with a broad range of litigation based work including civil litigation, employment, insurance and possibly resource management. You will work with existing clients and develop those relationships. At the same time you will have an appreciation of the need to build a client base and a willingness to be involved in (and in some cases lead) business development initiatives, with the support of our partners. You will have the opportunity to develop new areas of legal services, should you desire.

This is a great opportunity for an applicant with experience, enthusiasm and initiative to join a well structured firm that values its clients and its staff. We encourage and expect honesty, integrity and high standards. The role requires a commitment to excellence and attention to detail. In return we provide great working conditions, a supportive environment, up to date technology and a great opportunity for career progression. We focus on delivering client centred services.

Please apply with your CV to our General Manager. All applications will be acknowledged and treated confidentially. Send your application to [steven@corcoranfrench.co.nz](mailto:steven@corcoranfrench.co.nz)
